# THE WORKSHOP

The exceptional workshop will combine guided and pedagogical sessions with basic exercises on calligraphy techniques and more creative sessions to develop sensitivity and classical & contemporary artistic research. Evenings and meals will be devoted to discussions and exchanges on the art of calligraphy, its history and its various trends.

This stay is a total immersion in the art of living calligraphy, in the CalligraVie, a concept very dear to Ustadh Bahman. Like any sacred art, calligraphy, when practiced with intensity and sincerity, becomes the mould that shapes the soul of the calligrapher and opens up aesthetic and spiritual dimensions.

All levels, from beginner to advanced, are welcome. Knowledge of Arabic or Persian is not required; however, an interest and aesthetic sensitivity are important.

All necessary materials will be provided on site (qalam/traditional pen, ink, paper, etc.) and can be kept by each participant.

## REGISTRATION

The number of places is limited to 15 people. The course will be held with a minimum of 5 participants. A deposit of EUR 500 is required to confirm registration. The balance must be paid before 31 July 2022.

## BAB ZOUINA

The workshop will take place at Bab Zouina, a traditional guest farm, located in the Ourika valley (30 km from Marrakech) in a magnificent domain in the middle of olive trees; a swimming pool is available for the amateurs. The domain abounds in terraces and peaceful places to relax. The botanical and aromatic gardens surrounding the property give the place a poetic charm and invite to a soft meditation.

The meals will be cooked with fresh local products and will allow the participants to discover the local cuisine with Berber and Moroccan recipes.
