Siri Tuseth

Siri has been practicing and teaching yoga since the beginning of 2000. She runs Satya Yoga School and two yoga studios on the west coast of Norway and provides Teacher Training programs. She is now certified in Iyengar yoga.

Additionally, she does public speeches about self-care and awareness, and works with other professionals in the topic of holistic health.

For Siri, yoga as a student and now as a teacher is a long ongoing journey. She is full of gratitude to her teachers, her students and her colleagues from whom she is continuously learning about yogic tradition and how to understand yoga in the world of today.

Siri teaches yoga with a lot of philosophy linked to the asanas. Her motto is to listen and learn both from the body and the breath. Her greatest wish is to teach her students how to train their awareness and develop their honesty and their respect for themselves as well as for their surrounding environment, the people, the society and the nature.

The idea is to break patterns that no longer serve our heart or people around us. We are all in this together!

Taking place at a traditional Moroccan villa, **Bab Zouina**

The retreat will take place in a beautiful traditional Moroccan villa situated in the Ourika Valley (30 km from Marrakesh) in a magnificent property surrounded by olive trees.

Far from urban stress, Bab Zouina has kept an authentic and serene spirit, respectful of the environment; the buildings are ecologically built with cut stone and natural mud bricks.

With a lush ornamental garden designed by Swedish artist and landscaper Catharina von Unge, the environment provides an oasis for meditation and peace.

...an authentic and serene spirit,
respectful of the environment.

Traditional Moroccan and Berber meals are cooked daily with fresh and local produce.

Guest rooms are spacious and authentic: carpets, cushions, crafts, and a comfy bed.

Stroll the countryside freely as the weather will be mostly sunny, around 30°C during the day and 20°C at night. A pool of natural water is available.

Ourika Valley is full of cultural, recreational and 'nature' activities. Activities on offer include: visits to a saffron plantation, botanical garden or the Berber souk, hiking in the mountains or bread making with the women of the village. (subject to availability)
