

CalligraVie Workshop

A Week of Calligraphy and Life
led by **Ustadh Bahman Panahi**

Bab Zouina

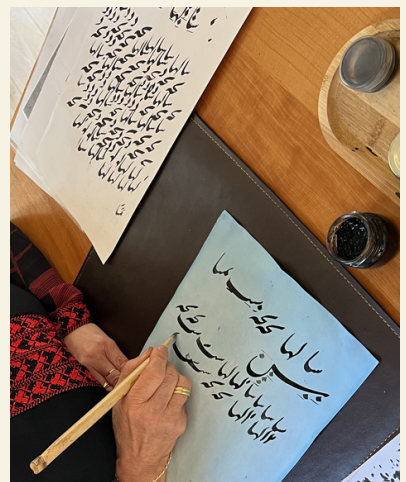

At the foot of the Atlas
Mountains, Marrakesh

30 Oct. - 6 Nov. 2027

Bahman Panahi is an Iranian visual artist, master calligrapher, and musician based in Paris. As the creator of the concept of "MusiCalligraphy," he divides his time between teaching, giving lectures, holding exhibitions, and performing art shows around the world.

This unique workshop combines technical instruction with a creative exploration of calligraphy, blending tradition and modernity. Meals and evening gatherings will provide opportunities to discuss the history & various movements of calligraphy.

Open to all skill levels, with no prior knowledge of Arabic or Persian required, it invites participants to fully immerse themselves in "CalligraVie" (Calligraphy and Life), a concept dear to Ustadh Bahman Panahi. When practiced with sincerity, calligraphy becomes an aesthetic and spiritual journey.

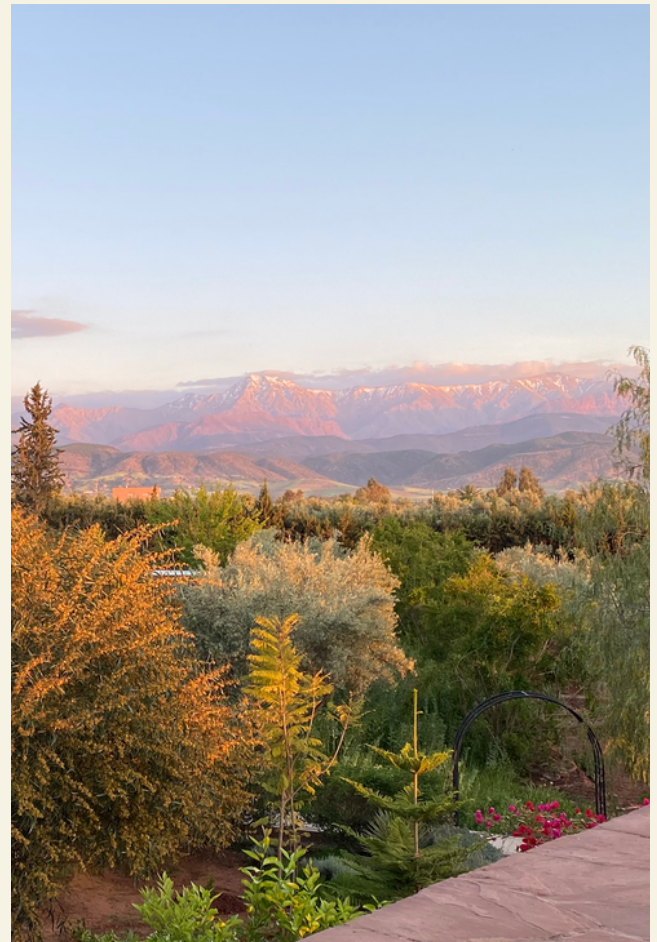

All materials (*qalam*, *ink*, *paper*, etc.) will be provided and can be kept by each participant.

An Immersion in an inspiring Place

The workshop will take place at **Bab Zouina**, a beautiful traditional Moroccan villa located in the Ourika Valley (30 km from Marrakech) on a magnificent domain surrounded by olive trees.
